

# The Wainwrights

Spring 2016

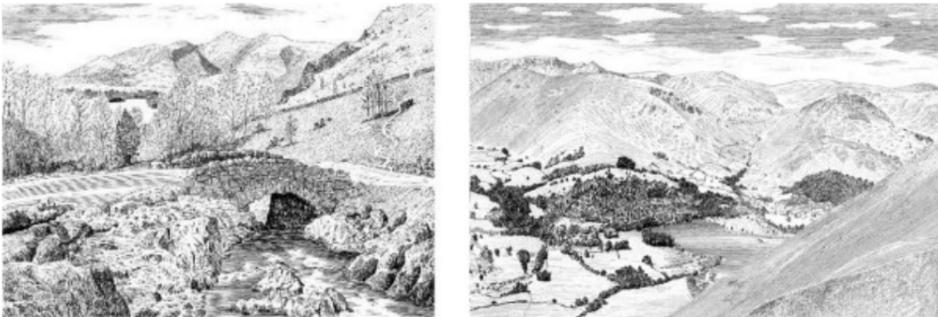

Manager Sinead, her team, and the owners would like to welcome you to The Wainwright this Spring.

As we head toward the first anniversary of our opening, at the end of April last year, we continue to bring the best of Cumbria to our customers wherever we can.

What has been happening since the last Wainwrights?

## Artist Raises Funds For Cumbrian Flood Appeal

Here at The Wainwright we have been privileged to have received the support and encouragement of artist and guidebook writer Mark Richards who has provided us with a small collection of his works for display. Mark has produced two works solely to raise funds for the **Cumbria Flood Relief Appeal Fund**. We are proud to display prints of the works (*Ashness Bridge* and *Glenridding* shown below) in the bar and have a small number of signed copies for sale behind the bar. Prints cost £30, of which £25 goes to the fund, and we can frame them for a small additional cost. We would urge customers who would like to contribute to the fund to consider Mark's prints (the pub is not making a profit from the sale).

## Local Businesses Join TV Revamp

As you may have noticed, our TVs are dedicated, like the rest of the pub, to all things Cumbrian, showing short films of fell walking/climbing/biking. They have been well received by our visitors and have made pub-wide celebs of those who have been kind enough to let us use their work (@glocky9 and Alfred!).

For Spring we are adding a host of new vids from our best loved contributors and have also reached out to a number of local businesses who are offering exciting activity and adventure opportunities within Cumbria. We hope this will provide some variety for our regular

visitors while suggesting some ideas for novel things to do in the local area. All while giving some local folk the opportunity to show their businesses to you, free, in return for letting us use their vids.

In our first batch we have included;

Skiing and Snowboarding on Raise (next to Helvellyn) with The Lake District Ski Club (ever heard of it?!).

Gyroplane Flights over Derwentwater or Ullswater from Lake District Gyroplanes in Berrier (6 miles from here).

Paragliding/Speed Flying (tandem flights/tester days for newbies) with Air Ventures

Guided Walks and all sorts of adventure/training activities with Spearhead Pursuits Lake District, Unique Mountain Adventures and Keswick Extreme.

If you have filmed your Cumbrian business, or your own walks/bike rides or other activities, and would like us to feature them on our TVs just let us know by telling the staff or contact us by email at [info@thewainwright.pub](mailto:info@thewainwright.pub).

## Breaking News!!!

We have recently learned that The Wainwright has been judged runner up in the **West Cumbria CAMRA Pub Of The Year award 2016**. We will receive the award at a small ceremony on 23<sup>rd</sup> April.

This is fantastic news for us and we would like to thank every CAMRA member who scored our beers through their National Beer Scoring System (find info at [www.camra.org.uk/nbss](http://www.camra.org.uk/nbss)).

The owners would also like to give special thanks to our growing gang of Cumbrian brewers for the fantastic range of beers that we have been able to bring to you, and to Sinead and her team for the unceasing efforts in keeping the beer, and serving it to you, in tip-top condition.

It's an exciting time for us and we'd like to thank you for visiting, from all of us at The Wainwright.
