

The Wainwrights

Summer 2017

A warm Summer welcome to you at The Wainwright from Manager Sinead, her team and the owners.

Here's what has been happening at the pub since the last Wainwrights.

Bye bye Petra, hello Johan

A sad time for us all as we say goodbye to our lovely assistant manager Petra. She is leaving us, having been with us from the very start. She will be missed by locals and visitors alike, but especially by the 'pooches' for whom she was keeper of the free treats!

Everyone here would like to thank her for her tireless devotion to the job and wish her well for the future, with fingers crossed that she gets very bored very quickly and comes back to us one day ;-).

Meanwhile its a big hello to Johan who is joining us in June. Those of you who know Keswick well may recognise Johan from his time in the Oddfellow's Arms. We know that you will make him welcome.

Captain Invincible

Those of you who were around last Autumn may remember that our Head Chef Aaron Thompson was selected to be Captain of the first XV for Keswick Kestrels. Well, his first season at the helm has finished and the team have completed a remarkable league and cup double.

Having finished the league unbeaten the Kestrels have won promotion from the Cumbria League to the North Lancs & Cumbria League. The week after sealing promotion the Kestrels travelled to Cockermouth to take on Whitehaven in the Cumbria League RU Cup Final, winning 23-11.

Well done to Aaron, the team and the whole club. Take a well earned break for the Summer lads and lets have more to write about next season!

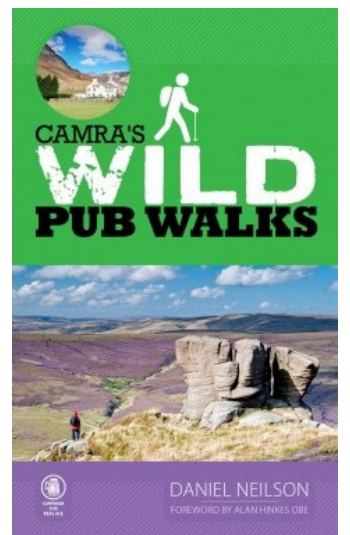

The All-Conquering Kestrels (Aaron's the one with the cup!)

Wild Pub Walks

CAMRA have released a guide book entitled "CAMRA's Wild Pub Walks". Written by Daniel Neilson it features 22 walks around the UK, each finishing at a pub. We are delighted to say that we have been chosen as one of them.

With a foreword written by our very own occasional local Alan Hinkes OBE, it is a must for the serious walker with a thirst.

Finally, who is the mystery boot donator?

Not long after we opened we were wondering what to do with a flower basket bracket left on the wall from the Four In Hand days. We decided to advertise ourselves by putting a pair of walking boots up there. The smashing folk at Keswick Boot Company kindly donated a pair they had been given, complete with '214 Completed' label.

Well, another wanderer of the fells has made the pub the last resting place for their boots! Thank you very much whoever you are.
