

# The Wainwrights

Summer 2018

A warm welcome to you (hopefully weather-wise too) from manager, **Johan**, and his team at The Wainwright.

Here's what has been happening at the pub, and in Keswick, since the last Wainwrights.

## Back To The Future

It was in the Summer Wainwrights last year that we sadly said goodbye to our lovely assistant manager **Petra** as she left for pastures new. It was even earlier, in 2015, that Aaron's Second Chef, **Richie**, left us. So it is with a great deal of happiness, and no little Déjà Vu, that we can tell you that both Petra and Richie have rejoined the team.

Petra will resume as assistant to Johan, when **Myles** leaves these shores to 'live the dream' later in the year. Richie has returned as Head Chef after **Kieran** left us last month. We would like to thank Kieran for all his sterling work for us, particularly since he stepped up to Head Chef, and for how he helped us out when we became short staffed earlier in the year, with **Sean** and **Chad** moving on. We'd also like to thank **Joe**, who has now moved on from the bar.

We wish all our leavers every success in their future careers.

Also, we welcome **Sam** and **Albert** to the bar, together with **Shaun** and **Adam** to the Kitchen team.

## Keswick Beer Festival 2018

Once again we're proud to sponsor the Keswick Beer Festival in 2018. This annual two-day jamboree of real ales is organised between the **Rugby club** and **Keswick Lions** (a local charity supporting worthy projects around the town). It's all coordinated by **Nigel H**, who we're very pleased is a regular here - he knows a good Cumbrian ale when he tastes one ;-)!

Our sponsored ale this year was the fabulous **Barngates 'Tag Lag'** which we've had at the pub a number of times.

## Kestrels Fly High in 2018

As we reported last year, **Keswick RUFC** finished their league unbeaten, and won promotion from the Cumbria League to the North Lancs & Cumbria League. Since Aaron, our Head Chef and team captain, left, we have been a bit remiss in updating you on the team's progress.

To bring you up to date, the Kestrels did themselves proud during the season, finishing a commendable fifth, a great achievement for their first tilt at the new league. **Well done to Aaron, the team and the whole club.**

We are proud to sponsor our local team and look forward to continuing the relationship in seasons to come.

## Score Your Pint!

The **National Beer Scoring System** is a point scale for your pint - if you're a **CAMRA** (Campaign for Real Ale) member, you can help monitor the quality of the beer offered at pubs you visit in the UK. If you've enjoyed your pint why not give it a try!

Download the App from the Appstore or Google Play, or visit <http://whatpub.com> where you can log in with your **CAMRA** membership number and start scoring!

You'll be asked for the location and name of the pub (FYI we're 'The Wainwright, Keswick' 😊) the date of your visit, a score out of 5, and the name of the beer/brewery. Scores range from '0' no cask ale available, to '5' perfect.

For lots more information, see <http://camra.org.uk/nbss>
