

The Wainwrights

Winter 2015

Manager Sinead and all her team would like to welcome you to the Wainwright this Winter.

Winter Warmers

This time of year is when the Autumn harvest of fruits, having been preserved in alcohol, are ready to drink. We have sourced Sloe Gin, Blackberry Gin and Damson Gin liqueurs from Strawberry Bank Brewery at The Masons Arms, Lyth Valley, Cumbria.

We are also trying a couple of home-made liqueurs made by mixing real mint humbugs with vodka to make 'Bah Humbug' and treacle toffee and vodka 'Bonfire'.

Some other bits of news since our last Wainwrites;

Donation to Keswick Museum

Anyone who visited the excellent exhibition 'Wainwright: A Love Letter to the Lakeland Fells' at Keswick Museum will have noticed that they held a competition to add humorous captions to AW cartoons. We were proud to donate a signed Wainwright print as a prize in that competition.

Cumbrian Real Ales

The Wainwright has continued its policy of sourcing our six real ales from Cumbrian breweries. We have slowly built up the number of Cumbrian brewers we use and have a map showing their locations which our visitors might find useful.

We have also added a seventh line and hand pump which will take real ale but is currently being used for a 'real' scrumpy cider. The first, 'Skean Dhu' from Waukmill Cider, achieved third spot for ciders at the CAMRA beer festival in Carlisle (Waukmill brews also took first and second places).

A Pictorial Guide to Our Lakeland Ales

We also played host to the January branch meeting of the West Cumbria branch of CAMRA, the first time they have met in Keswick in several years.

Winter Drink Deal

For the Winter months (ending February 29th, 2016 being a leap year) we have a tempting deal on drinks with meals. On Mondays to Thursdays we are offering a free soft drink, or an alcoholic drink for £1, with every qualifying main meal purchased. The list of drinks offered and the meals that qualify are found on posters around the pub, the menus, or by asking staff.

All of us at the Wainwright hope you enjoy your visit this Winter and that you will come back soon.
